Welcome to the Church of Christ at Greensburg

Take It Straight

Do not read anything into the Good Book, if you wish to get anything out of it—just take it straight.

Instead of trying to alter your Bible to fit you, change yourself to fit it; otherwise you will have religion's conformity in reverse. What you think of the Bible does not affect it—just you. If it appears too deep, you surely need the exercise it affords to think deeper. If it looks too exacting, you definitely require its influence to keep from straying. And if it seems dry, it might be that you have allowed too much dust to accumulate on it.

"Ye shall not add unto the word which I command you, neither shall ye diminish ought from it, that ye may keep the commandments of the Lord your God which I command you" (Deuteronomy 4:2).

“Lo, children are an heritage of the LORD: and the fruit of the womb is his reward. As arrows are in the hand of a mighty man; so are children of the youth. Happy is the man that hath his quiver full of them: they shall not be ashamed, but they shall speak with the enemies in the gate” —Psalm 127:3-5
